Westward Through the Rockies.

The traveler, tourist or business man is wise when he selects the Rio Grande Western Raiway "Great Salt Lake Route" for his route to the Pacific Cerst. It is the only transcotinental line passing directly through Salt Lake City, and in addition to the glimpse it affords of the Temple City, the Great Salt Lake and picturesque Salt Lake and Utah Valley, it affords the choice of three distinct routes through the mountains and the most magnificent scenery in the world.

On all Pacific Coast, tourist tickets stopovers are granted at Denver Colorado Springs, Manitou, Lead-ville, Glenwood Springs, Salt Lake City, Ogden and other points of interest. Double daily train service and through Pullman and Tourist sleeping cars between Denver and San Francisco and Los Angeles.

Summary of the Daily News.

WASHINGTON NOTES.

THERE will be a novel department in the new congressional library at Washington when it is completed. It will be a section solely for the blind, and will have nothing in it but books with raised letters.

PRESIDENT GOMPERS, of the A. F. of L., in an interview at Washington on the 26th, gave it as his opinion that the coal miners' strike would be terminated by the end of September and that the settlement would be in favor of the strikers.

In connection with the coming French exposition Secretary of Agriculture Wilson hopes to develop a plan by which the breeding of horses for use in the cavalry of European armies will be encouraged in America, the de-mand for horses for army use being very great in Europe.

THE United States fish commission will soon distribute a car load of youngsters from the Illinois fish station at Quincy to various points in Kansas. When this has been attended to a supply will be taken from the station at Neosho and deposited in private waters in Missouri. Each station will be drawn upon for upwards of 100,000 fishes, consisting of rambow trout, rock bass, black bass and croppie.
